PARAPHRASE				
<p>The extreme left-wing group of the Balli Kombetar is called the Democratic Farm Party. The nominal leader of the party is Hasar DOSTI, but the power behind the throne is Prof. Abaz ERDJI. Although this party has no great following in Albania it may be considered the one most strongly supported by the English.</p> <p><u>Hasan DOSTI</u>: native of Argirocastro; President of the Party and also President of the Free Albanian Committee; a well-educated man though somewhat of a theorist; uncertain in his political initiative and dominated by the more violent elements of the party; always going back and forth from Rome to Washington.</p> <p>(Note: This man has always been an instrument.)</p>
